Club Fees

In our last newsletter we let you know that the fees for this upcoming season will most probably be increasing. After some discussion, we have agreed that YES, they do have to go up but it will be only to cover QDBF's fee increase at the end of this year.

Other annual expenses we will cover through revenue raised from our corporate and sports regattas, fund raising, sponsorship and increased membership.

So our fees for the coming season are: Adults \$100 Juniors \$75

This year, the fees can either be paid electronically with the membership form emailed to our club email address redcliffedragons@gmail.com or if you do not have this facility, both (or just the form) can be handed into our Team Manager at training.

Our membership form has been re-jigged, there are a few more questions to answer and it does have the club banking details. When paying electronically you must remember to include your name in the details of the transfer.

You can pick up the membership form when you sign in at training. They can also be downloaded from our website - www.redcliffedragonboatclub.com. We will also be emailing the form out to everyone.

Regattas

- **22 July Tin Can Bay – Sleepy Lagoon Regatta.**

Please either email Lynn Grigg - lyng_53@yahoo.com or speak to her at training this week ASAP if you are interested in racing at Tin Can Bay.

If you are attending this regatta or plan to attend this regatta you must be registered for the new season so complete the membership form ASAP and send it in with payment.

- **Redcliffe Corporate Regatta – 26 August.** 7 weeks away - so keep this date free for us. Start chasing up people you believe may be interested in putting in a team or who would like to be part of a team. It's going to be a fun day. If you can help in any way please speak to one of the committee members or send an email through to redcliffedragons@gmail.com
- Redcliffe Sports Regatta - 16 September – more information to follow, volunteers will be needed to assist in making this the best on the calendar.
