First Place – **Hull of a Laugh** (for the second year in a row!)

Redcliffe was fortunate enough to enter a team to paddle at the 2nd annual event and help raise some much needed funds. We would like to thank the team members who participated by either paddling, sweeping or other various duties that were required on the day. We would also like to thank the outriggers and friends who helped made this day possible and help raise **\$4,840.61** towards the total of over **\$100,000** made for Juiced TV.

Who would've thought this Motley Crew could do so well together with no training

Everyone couldn't wait to get on the water. We were keen to retain our title and it wasn't long before we were 1 race down (1<sup>st</sup> of course) and then the secret weapon came out - the **CARAMEL SLICE**.

We were asked on the day what was our secret to success and we told them it was the caramel slice, of course if you have been to regattas in previous years you would have known Shaun was the one most excited and paddled hard to get his reward. We had some tough competition on the day but none were as good as the "**Hull of a Laugh**" Team.

Everyone dresses up on the day to make it more festive and we are going to have a new uniform next year to join in the fun. We would like to thank the DBQ Committee for organising this event and hope we can get a crew back next year to protect our title and raise some more much needed funds.
