Membership Renewal – ‘SUPPORTER’ MEMBER

Who are our Supporter members?

They are a special group of people who are committed to supporting our Club members on their breast cancer journey. Many of our supporters have family members touched by breast cancer; are cancer survivors themselves; are interested in joining with a group of like-minded women to participate in a fun group water sport; want to help sustain groups that are searching for a cure and who share a common goal of raising breast cancer awareness within the wider community. Our Supporters are integral to our Club. They demonstrate their support by paddling with the group; by helping at fund-raising events; by joining in social activities; by attending meeting and/or taking on positions which sustain the Club's operation.
